Christmas at **CALLOOH CALLAY**

Step through the looking glass this December

Tucked away on Rivington Street since 2008, Callooh Callay has never been just a bar — it's a rabbit hole. Behind an unassuming Shoreditch frontage lies a world built for wonder: a maze of intimate rooms, curious corners, and doors that aren't quite what they seem. This Christmas, that spirit of mischief gets dressed in its finest festive coat.

A VENUE LIKE NO OTHER

Find your way through our labyrinth of spaces, each with its own character — from cosy nooks perfect for a quiet catch-up to the legendary JubJub Bar, our hidden gem reached only by those who know where to look. Wood-panelled walls, low lighting, and a sense that anything could happen around the next corner: it's the kind of place that turns a Tuesday drink into a story you'll still be telling in January.

Whether you're gathering the whole office, celebrating with close friends, or slipping away for a quiet toast, Callooh Callay's rooms flex and fold to fit the moment — private, playful, and never quite like anywhere else in London.

pricing HOW IT WORKS

Pricing is tailored to your needs. Just let us know what you have in mind and we will provide a tailored quote. Please also see our packages.

We don't charge any hire fee for the venue (full or partial hire). All the money you pay will go directly toward the food and drink for you and your guests.

A deposit will be requested to secure the date and close out other bookings and pre-orders are paid in advance (at least two weeks ahead of the date).

If you choose to have an additional tab running, this is payable on the night.

You can also offer a cash bar from a certain time, so you can set reasonable limits on your guests spending against your tab, as required.

Just let us what you'd like for your party, and we'll do our utmost to make it happen!

A 'minimum spend' cost is calculated based on a number of factors including:

- What type of venue hire it is
- How many people it's for
- For what period of time the party is scheduled
- The popularity of your date
- What type of food and drinks and service you want to offer
- Whether you want extras
- How much you wish to pre-order in advance vs. pay for via a tab on the day.
